v.

Civil No. 97-2912(CCC)

ENRON CORPORATION ET AL

ORDER

On July 21, 2003, Attorney Peter Satz filed a "Motion for Relief From Order Under FRCP 60(b)(2) and/or FRCP 60 (b)(3) and/or 60(b)(6)" (**Docket No. 3708**).

Specifically, counsel on behalf of the heirs of plaintiff "V́ctor Colón-Mercedes aka V́ctor F. Colón-Lebrón" alludes to an Order issued by late Judge Robert Ward on February 13, 2003, setting forth that plaintiff had abandoned his claim and forfeited his settlement amount. In his motion counsel reports he has been able to locate his client and that Mr. Colón stands willing and available to sign any necessary releases. More so, counsel proffers the circumstances that led to the confusion in having Mr. Colón properly identified.

Having considered the facts proffered by counsel, the motion is **GRANTED**. Therefore, it is **ORDERED** and **ADJUDGED** that Judge Ward's Order dated February 13, 2003, is modified in order to allow plaintiff V́ctor Colón and his counsel, Attorney Peter Satz, a **final term of twenty (20) days** in which to submit the necessary documents (releases) in
